

Tech City Intro

Sample Schedule

13:15

Arrive at London Connectory, London's first co-creation space for urban environments. Help yourself to some refreshments, meet the team, hop on to the WiFi and get settled in.

13:30

Introduction and outline of the day by George Johnston, founder of TechDotX and the Tech City Ventures network. Hear about how Tech City was created and learn about its evolution.

14:15

We'll take a walk around Tech City taking in some of the sights, coworking spaces, coffee shops and notable HQs.

15:00

Arrive at IDEA London. A post-accelerator centre run by Cisco, UCL Engineering and EDF Energy, you'll hear from the community manager and meet some of the startups working here.

15:20

Meet the investor. Understand how investors make investment decisions, what the landscape looks like and

15:50

Meet the startup. Hear from the founder about how the business has scaled successfully in London in three years.

16:20

Wrap up. We'll recap what we've learnt, answer some more of your questions

16:30

And that's it! We'll follow up with some materials for today and will be heading to get a drink at one of the local hotspots. You're very welcome to join!
